

Dear Fourth Grade Parents,

Welcome to the new school year. We look forward to a successful year with your child.

Classes consist of Religion, Math, Spelling, Reading, Science, Social Studies, English and Health. Students' assessments include class work, tests, quizzes, participation and homework. Study guides are often given in the major subjects a week prior to the tests.

Homework will be assigned daily, and will consist of written assignments as well as the review of class notes. Students need to be responsible for all assignments. Absent work should be completed in a reasonable amount of time.

We are looking forward to a successful year. If you have any questions or concerns, please contact us via email at barry@stmarkwestpark.com or decore@stmarkwestpark.com. You may also call the school office at 216-521-4115.
