

St. Mark Preschool

St. Mark Preschool is proud to offer a 5-day program to children ages four through five years, but not ready for kindergarten. Children must be four by September 30th and fully potty-trained. Both full and half days are available; however, space is limited to 16 students to help us maintain our small student to teacher ratio.

Our Preschool program nurtures the individual child, while developing each child's talents and abilities in a school setting. St. Mark Preschool begins the foundation of academic excellence by following a play-based instructional program built around the Cleveland Catholic Diocese Early Child Curriculum.

A large classroom is well equipped with child-sized furnishing offering creative work/play opportunities. An example of the daily schedule is as follows:
