### **VIRTUS UPDATE REGARDING FINGERPRINTS**

**Per the Policy for Safety of Children in Matters of Sexual Abuse Revised 2016 and the Standards of Conduct in Ministry Revised 2016 together require that background checks be repeated for all volunteers who work with children if the current check on file is five (5) years or older. The new process of updating background checks per the Diocese of Cleveland will take place via the online system, Selection.com.**

**The link to Selection.com can be found by accessing your account at Virtus.org, under the “Toolbox” tab, on the left side of the page choose Selection.com. You will need a credit card to complete the process. The cost is \$25. These are the only renewed fingerprint checks for volunteers that will be accepted by the Diocese of Cleveland.**

**If you have any questions please contact Cheryl Birchfield at the Parish Office (216-226-7577)**
