

The Position of Out to Lunch Coordinator is OPEN.

Parent Club is looking for a volunteer to fill the position of Out to Lunch Coordinator for the 2018-19 School Year. The Out to Lunch Program is a favorite of the students (and parents!) at St. Mark.

It is important that we fill this position as soon as possible so the program can continue as it has in the past.

This job can be done from the comfort of your own home by phone and computer. It is also something that can be divided up between more than one person.

The Coordinator does **NOT** need to be at the school at the time the lunches are served.

Tasks include: creating a menu with vendors, monitoring payments, placing orders with vendors, and making and organizing OTL tickets. There is a separate OTL volunteer coordinator that will handle the task of finding people to serve lunches.

The best part: parents and students love you due to your providing a lunch option that doesn't involve packing a lunch!
