

Bike to School Day Wednesday, May 9

We will be participating in *Bike To School Day* sponsored by Rainbow Babies and Children's Hospital on **Wednesday, May 9**. Last year we had a terrific turnout, and we hope to have even more riders this year. Special emphasis is being put on safety. We are encouraging all riders to wear a bike helmet. Those who do wear a **helmet** will receive a ticket for a **special raffle** to be held that day. Join together with family and friends and ride to school next Wednesday! If we have inclement weather on Wednesday, we will hold this event on Monday, May 14.

Bikes will be parked in the regular bike racks. Once those racks are filled, we will park the remaining bikes in the back of the school against the building. Student Council members will be there to direct you. Please **do not ride through the parking lot** where the cars will be dropping off students. Go to the front of the school and wait to be directed to the proper parking spaces. **The safety of the students is our primary concern!!!**
