

**CLEVELAND SCHOLARSHIP PROGRAM  
2017-2018 INCOME VERIFICATION FORM**

Income Verification is one step in the scholarship application process. Your child must also be enrolled at a participating school. The Income Verification Process is important for some families to determine if they meet low income requirements of the scholarship program. Applicants in grades K-8 that qualify for low income status are not required to pay tuition above the amount of the scholarship. High school students may be charged any tuition difference due, even if they are low income. Helpful tools can be found on the scholarship website at: <http://cstp.education.ohio.gov> If you have more than one child applying for a scholarship, only one income verification form is needed. The scholarship office is not able to return original documents to you; please send only copies. **This form and copies of income documents must be mailed to the address below ON BACK OF THIS FORM by the deadline APRIL 30, 2017:**
